VITA Tax Filing Assistance

All for FREE

Trained and IRS certified volunteers are available to prepare your Federal, State and City (if applicable) tax returns. This service is provided by the Community Action Agency (CAA).

Free tax preparation is available for seniors, generally aged 60 and older, with a household income of up to \$54,00.

Program hours are planned to be Tuesday 9am-12pm and 1pm-4pm and Wednesday 1pm-4pm at the Department on Aging.

You may call CAA at 517-784-4800 or call 211 to schedule your appointment.

You may be thinking you do not need a Federal tax return. While this may be correct, you may be missing out on some Michigan state credits for which you are eligible.
